CRV ONLY...IT'S THE LAW

• On Site Sorting Not Allowed • All Materials Must Be Free Of All Liquids & Debris

State law requires recycling centers to pay California redemption value (CRV) refunds for loads that contain ONLY eligible CRV beverage containers. Non-CRV materials must be removed from the load, or at the discretion of the recycling center, the load may be rejected or receive only scrap value. Customers may still request to be paid by count for up to 50 CRV beverage containers of each material type: 50 glass, 50 aluminum, 50 plastic in one day.
